Intro: C#m B E/G# A

```
                              C#m  B   E/G#   A
We were created in His Image
                     C#m  B  E/G#   A
In the Image of God                              (x2)

         C#m                    B
Every woman, child, and man
    E/G#                          A
Designed for His sovereign plan
         C#m      B                    E/G#    A
To live lives of freedom and of truth            (x2)
```

Chorus

```
                             E
Break the chains of injustice
             E/G#  B
Set the captives free
                      C#m          E/G# A
Teach us how to live lives of purity
                              E
We fix our eyes and our hearts
                    E/G#   B
On things that are above
                       C#m
Come fill us Holy Spirit
                      E/G#        A
With Your mercy and Your love
